Look who's passing, the country girl  
How beautiful she is, she makes you fall in love!  
Look who's passing, the country girl  
How beautiful she is, she makes you fall in love!

O how well you dance pretty girl, pretty girl, pretty girl  
O how well you dance pretty girl, pretty girl you dance well!  
O how well you dance pretty girl, pretty girl, pretty girl  
O how well you dance pretty girl, pretty girl you dance well!

Look at that old man under the stairs  
The way she dances makes him go crazy!
