Happy is the boy when he looks up above
And he sees that her window is open wide
Happy is the boy when she throws her carnation
With an invitation to come inside

Just a boy and girl and a mandolino
Just a little kiss as the vow is made
That's the way it is down in Portofino
Just a little moonlight, little serenade

Mi farò prestare un soldino di cielo
Perché regalare lo voglio a te
Lo potrai posare sul bianco tuo velo
Quando sull' altare ti porterò

Questa piccolissima serenata
Con un fil di voce si può cantar
Ogni innamorato all' innamorata
La sussurrerà, la sussurrerà

Happy is the boy when he looks up above
And he sees that her window is open wide
Happy is the boy when she throws her carnation
With an invitation to come inside

Just a boy and girl and a mandolino
Just a little kiss as the vow is made
That's the way it is down in Portofino
Just a little moonlight, little serenade

Questa piccolissima serenata
Con un fil di voce si può cantar
Ogni innamorato all' innamorata
La sussurrerà, la sussurrerà

Happy is the boy when he looks up above
And he sees that her window is open wide
Happy is the boy when she throws her carnation
With an invitation to come inside

Just a boy and girl and a mandolino
Just a little kiss as the vow is made
That's the way it is down in Portofino
Just a little moonlight, little serenade

I borrow a penny from heaven
Because I want you to give it to you
You can put it on your white
When I take you to the altar

This little serenade
Can be sung in a soft voice
From every lover to his lover
It's whispered

Happy is the boy when he looks up above
And he sees that her window is open wide
Happy is the boy when she throws her carnation
With an invitation to come inside

Just a boy and girl and a mandolino
Just a little kiss as the vow is made
That's the way it is down in Portofino
Just a little moonlight, little serenade

This little serenade
Can be sung in a soft voice
From every lover to his lover
It's whispered, it's whispered
